Grenic Tiles PVT. LTD. is based in MORBI, a town known as the Paris of India given it is the largest production of tiles in the country. Accompanied by ISO 9001 certified methods of production, we offer superior quality tiles which are duly tested as per International standards.

We have Digital Printing Machines which are a new generation of German printing Technology. The printing quality of these machines is of high definition so we get better clarity of design. We are equipped with higher-end Italian machinery as well as technical excellence and expertise, which are reflected in well-designed quality tiles that make our identity. We have in house R & D department, where continuous research is done in design and quality of tiles in order to provide value for money for our customers.

With multiple series like calico, extent, tissot, crystal, omega, rustico, delfos, mozart to make your home beautiful and captivating instantly, we are pleased to inform you that we have a production capacity of 7000 boxes per day, to provide effective and timely delivery to our valued customers.

GRENIC / ISO 9001-2015 CERTIFIED

GRENIC

THE BEAUTY OF FEELING AT HOME

Grenic Tiles PVT. LTD. is creating a stone-effect collection inspired by the Irregularity of typical features of everyday life: the shadows of lines cast by the sun on a wall, a hedge made with the leaves of a plant, the vines that cover a wall, spacial soil that is created when rock is exposed to wind and rain, the appearance of gradually worn material etc. The reconstructed these situations and expressions of everyday life, using straight lines, on tiles designed exclusively for harmony.
